

**MSc IN COMPUTER SCIENCE**

**Course selection form for Michaelmas Term 2009**

Could you please indicate below which courses you propose to take in Michaelmas Term, and obtain your supervisor's approval. *Then return the completed form to Julie Sheppard or Wendy Adams no later than Monday of week 3 of Michaelmas Term, i.e. 26<sup>th</sup> October, 2009.* (Please return this form earlier if you have already made your choices).

Attached is a list of topics being offered in Michaelmas Term 2009.

It is recommended that you do not undertake more than four courses in any one term, but you must complete at least 28 units but not more than 34 units of topics in all, and you need to have passed 16 units of topics (and achieve a minimum standard in 24 units) by the beginning of Trinity Term in order to be able to continue with the course.

In total you must take at least 16 units from Schedules B and C combined and, to pass the taught part of the course, you must attain a minimum standard in 28 units and pass 20 units including 12 units from Schedules B and C combined.
